AIM-VA is offering one hour on-line trainings for Digital Rights Managers across the Commonwealth:

AIM-VA is preparing for the 2009 – 2010 school year and wants to share new procedures with DRMs across the Commonwealth! We look forward to sharing our new updates that have resulted from feedback to our staff. Our online training will include a review the modified ordering system, the formats available, Retention and Return Policy and Procedures, and tips from the staff.

Please register for an online training being held on one of the following dates.

May 5, 9:00 am to 10:00 am
May 5, 3:30 pm to 4:30 pm ( Newly added date)
May 6, 9:00 am to 10:00 am
May 12, 10:00 am to 11:00 am
May 14, 10:00 am to 11:00 am

Please register online:
http://spedsurvey.gmu.edu/Snap/aimva2009training/

We have a maximum of 20 spaces for this training, therefore, please register early.

The trainings will be conducted using Adobe Acrobat Connect Pro, a link to the online training room will be sent via email upon registration.

Participants need a telephone, computer, speaker and high-speed internet. Adobe Connect is Flash based, so it's highly recommended to test if the computer you are using is ready for the AdobeConnect meeting. The test link is:
http://webcon.gmu.edu/common/help/en/support/meeting_test.htm

If your computer does not work with Adobe Connect readily, please have the website, www.aimva.org available as we will be using this as the information for our training.

If you have any specific questions you would like addressed during these training sessions, please contact Joyce Sharp at (540) 948-6938 or by email at jsharp1@gmu.ed
