

Thank you very much for your interest in attending the 2016 State of the Art Conference on Postsecondary Education and Individuals with Intellectual Disabilities. We are so pleased that you have registered, and we look forward to meeting you in November.

We do have limited scholarship funds, and would like to offer them to worthy individuals. First priority will go to attending self-advocates' support persons (usually a parent attending with a child with ID), with second priority going to parents of non-attending self-advocates. There will be open enrollment while these funds are available. Please answer the following questions, and return this form—with your name in the file name—to Rachel Korpan Lee at [rkorpant@gmu.edu](mailto:rkorpant@gmu.edu).

**Name(s) of attendee(s) for whom you are seeking registration fee scholarship assistance:**

**Are you attending as a support person for a self-advocate? Y/N**  
**Are you a parent of a non-attending self-advocate? Y/N**

**1) Have you requested financial support from any organizations or your state Development Disabilities Council? If so, are any funds being provided?**

**2) Will you be incurring travel and hotel expenses? If so, what are your approximate travel expenses?**

**3) Do you plan on sharing the information with others? If so, how and with whom?**
