

DYSLEXIC EDGE

PATHWAYS TO STEM EXCELLENCE

Saturday, March 23, 2019

9 a.m. to 4 p.m.

**George Mason University,
Exploratory Hall, main lobby**

A one day event to help parents, teachers, and industry create future STEM leaders and entrepreneurs by building confidence in students with dyslexia.

Join us for a morning of speakers and workshops followed by an afternoon Stem-A-Palooza for children of all ages to participate in STEM challenges and live demos.

Topics include:

- ▶ The science of dyslexia
- ▶ The STEM dyslexia connection
- ▶ Best teaching practices in reading and in STEM fields
- ▶ Identifying and evaluating for dyslexia
- ▶ Assistive technology
- ▶ Inspiring speakers with dyslexia
- ▶ And more!
